### ABOUT THE CENTER

Gastonia Conference Center is a symbol of the hard-working people of Gastonia: on the move toward civic, economic, and environmental sustainability. Designed to pay homage to the surrounding architecture and heritage of the area, the Center is also a state-of-the-art facility, featuring the latest in communications and presentation technology, and nine conveniently located electric vehicle (EV) charging stations. This iconic two-story facility accommodates over 450 meeting attendees and 350 for a seated banquet function and features 10 separate, purpose-built and distraction-free meeting rooms, event spaces and 5,100 square-foot ballroom.

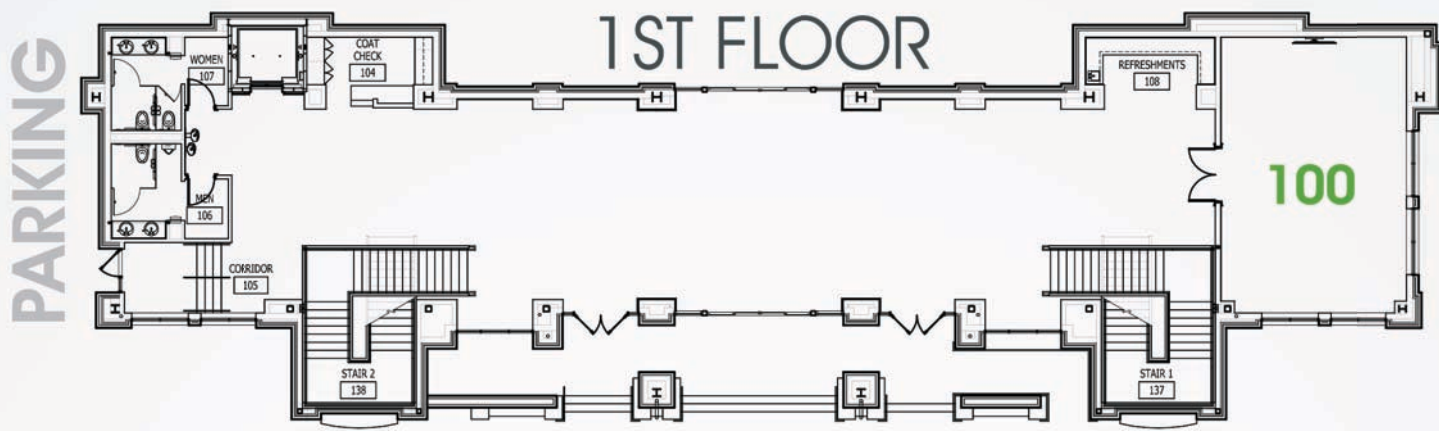

### FOR THE COMMUNITY

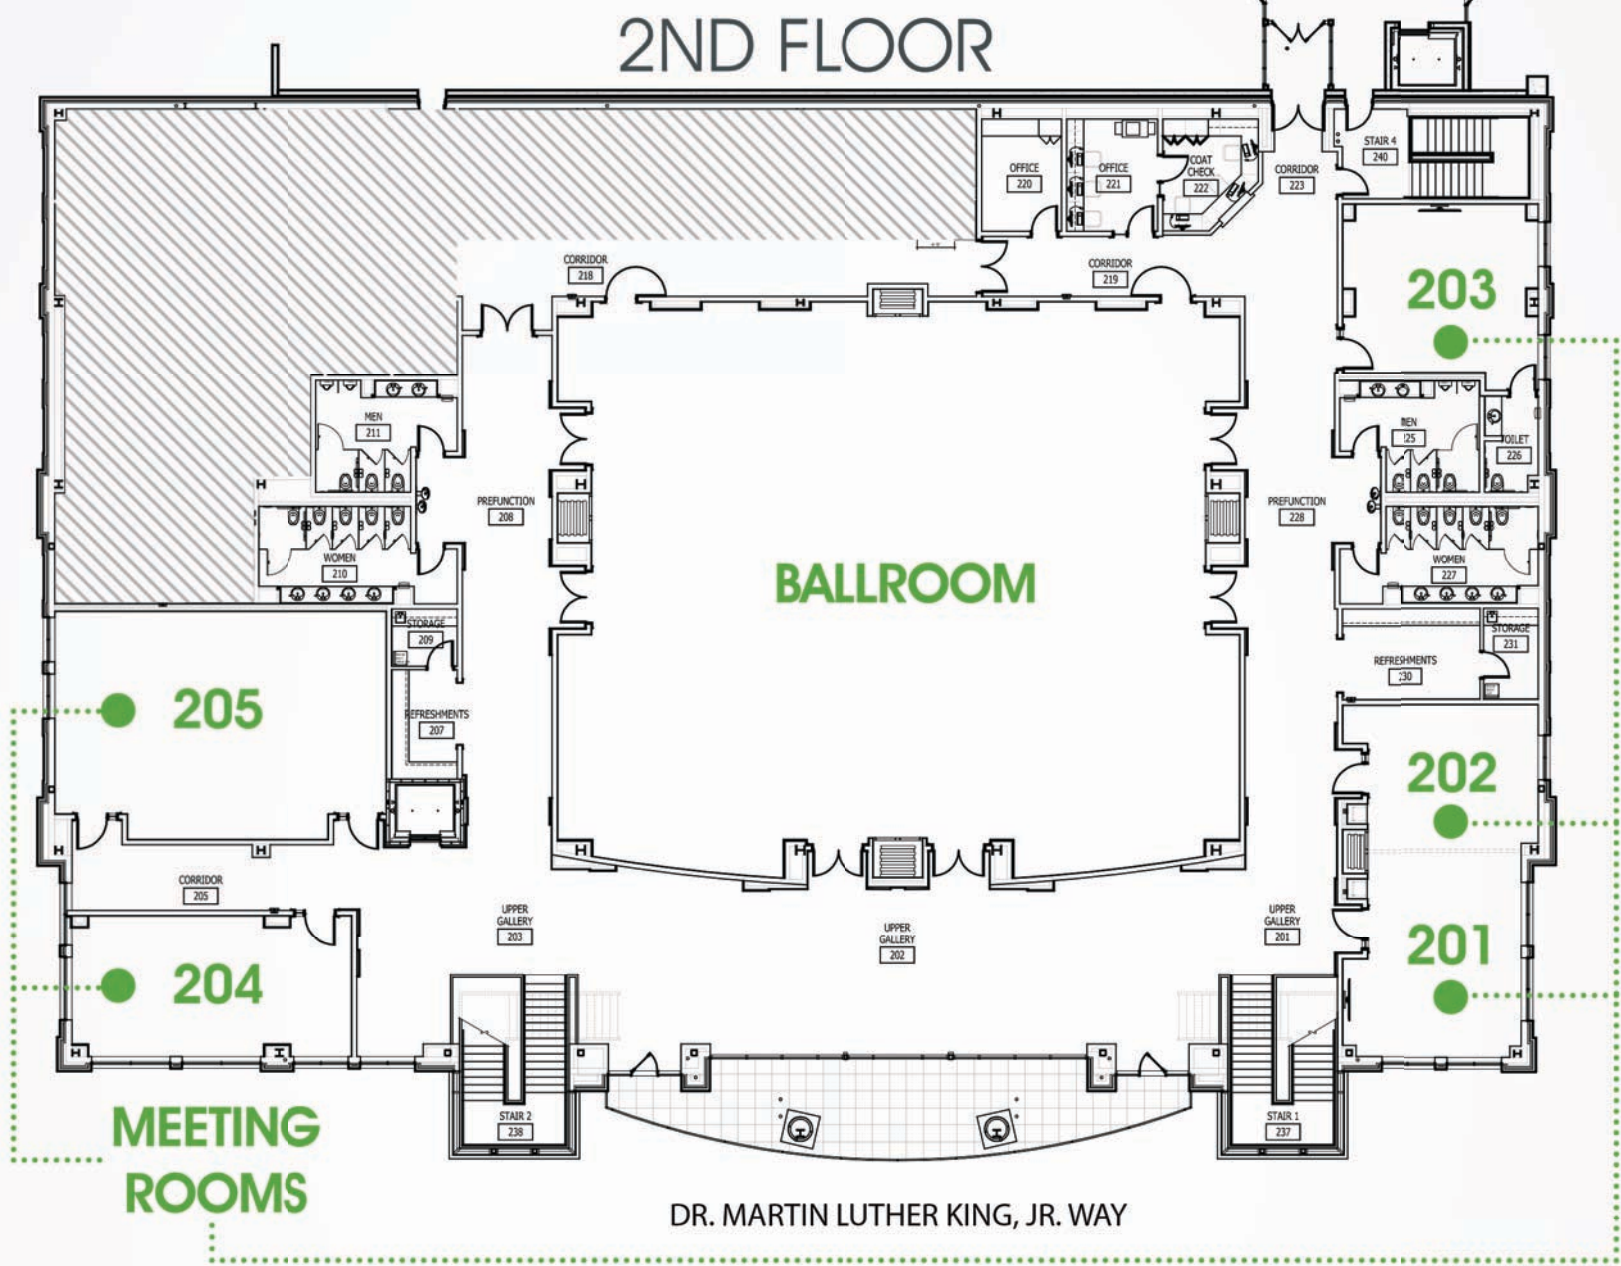

Owned by the City of Gastonia, the Center supports the local economy by generating jobs, and supporting and preserving local businesses, restaurants and hotels. It is a keystone for the revitalization of Gastonia's historic downtown area.

The Center is also registered to be certified GOLD by the US Green Building Council's (USGBC) Leadership in Energy and Environmental Design (LEED), which means that any event held here is a green event, with minimal environmental impact to the local community.
